

- Intermediate Bulk Containers (IBCs)
- IBC Discharge Systems
- IBC Filling Systems
- IBC Blending systems
- IBC Washing Systems
- Silo Discharger Valves

- Loss-in-Weight Feeders
- Gain-in-Weight Feeders
- Volumetric Feeders
- Micro Feeders
- Process Weighing
- Flow Meters

- Dilute Phase Vacuum and Pressure Conveying
- Continuous Dense Phase Conveying
- Cyclones
- Bin Vents
- Rotary Feeders & Valves

- Industrial Air Filtration for dust, fumes and mist
- Cartridge-style dust collectors
- Bag dust collectors
- Replacement filters and accessories

- Point Level Monitors
- Continuous Level Monitors
- Emission Monitors
- Bin Aeration Devices
- Solids Flow Detection
- Broken Bag Detectors

- Centrifugal Sifters
- Cone, Kibbler & Universal Mills
- Ribbon & Plough Mixers
- Double Cone Blenders
- Air classifier mills

- Compact, Vibrasonic & Eco Separators for :-
- Screening & Sizing
- Scalping
- Dewatering
- Product Recovery

- Flexible Screw Conveyors
- Bulk Bag Dischargers & Fillers
- Aero-Mechanical Conveyors
- Pneuvac Vacuum Conveyors
- Bag Packers

- Rotary Airlock Valves / Feeders for :-
- Pneumatic Conveying
- Bulk Handling

- Ultra-fine Grinding
  - 3 Jet mill designs
- Ultra-fine Classifying
- Ultra-fine Drying

- Grate & Drawer magnets
- Plate & Inline magnets
- Magnetic liquid traps
- Gravity Feed Metal Detectors
- Conveyor Belt Metal Detectors

- Mixers - Liquid to High Viscosity
- Blenders - Gentle to High Intensity
- Dryers - Agitated Vacuum Style
- Filtration - Agitated Pressure Filter
- Pressure Vessel Clamps ASME
- Grinding Media - Glass to Steel

- Design, Build and Install :-
- Standard and Custom machinery
- Electrical Control Panels
- Material Handling Equipment
- Conveyor Systems
- Platforms and Mezzanines

- Material Flow Systems
- Pneumatic Piston Vibrators
- Railcar Shakers
- Electric Vibrators
- Truck Vibrators
- Vibrating Tables

- Drag Conveyors
- Bucket elevators
- Personnel elevators
- Distributors
- Gates & Valves

- Couplings & Clamps
- Pneumatic Conveying Elbows, Fittings & Straights
- Diverter Valves
- Aggregate Gates & Valves
- Slide Gates
- Roller & Maintenance Gates
